If an employee dies within 500 weeks of the injury, dependents are entitled to payment at the same rate, until the total compensation paid to employee and dependents equals 500 weeks. AWW for payment of death benefits are calculated the same as AWW for disability payments. A dependent spouse’s dependency terminates upon remarriage, at which time the spouse receives a lump sum settlement of the lesser of 104 weeks or the remainder left unpaid. Employers have the right to an autopsy subject to notice and other requirements. I.C. 22-3-3-17, 18 and 19.
